

# PATIENT, RESIDENT & FAMILY NEWSLETTER

May 23, 2023

## A note from Kathleen Klaasen, CEO

As you may know, Riverview Health Centre, along with other Manitoba health care facilities, is now a “**mask friendly**” environment.

While it is wonderful to see everyone’s smiling faces again, please be assured that if you wish to continue to wear a mask while at RHC, you are welcome to do so. In addition, *any patient or resident may request that a mask be worn while they are receiving care.* As always, the care and safety of our patients and residents is our priority. If you have questions or concerns, please speak with the unit manager.

We look forward to seeing many of you enjoying our beautiful campus together over the next few months.

## Recreation at Riverview

Our patients and residents have enjoyed some wonderful experiences in recent weeks – drum fit classes, Kentucky Derby fun, music with College Churchill High School Vocal Jazz Choir, a Mother’s Day celebration and much more.

Good news! More fantastic family-friendly activities are planned for the weeks ahead.

Mark your calendars and come join the fun:

- **Car Show in Celebration of Father’s Day** - Saturday, June 17; 1:45pm – 3pm; Main Entrance. *Special thanks to Riverview Health Centre Foundation for sponsoring this event.*
- **Dog Trick Shows in Celebration of Canada Day** - Friday, June 30; 1:30pm AND 2:30pm; RHC Grounds
- **Motorcycle Show** - Thursday, July 15 (rain date July 29); 2pm – 3pm; Main Entrance

Riverview’s Recreation Facilitators continue to plan engaging activities for our residents, patients, and clients.

## Members Invited for New Research Advisory Council

Dr. Genevieve Thompson, Riverview’s Research Chair in Person-Directed Living, is looking for interested patients, residents, clients and family members to form a new Advisory Council to help provide direction and set priorities for person-directed living research at Riverview. She hopes to build a membership that reflects the diversity of the community served by RHC.

There will be 4-6 meetings per year, either in-person or online. Free parking will be provided for in-person meetings.

If you are interested, please contact Genevieve at [genevieve.thompson@umanitoba.ca](mailto:genevieve.thompson@umanitoba.ca).
