

Riverview Health Centre Foundation has decided to not only think outside the box but we have decided to think “outside”; as in **golf!**

As Canada wrestles Covid to the ground this year we are hosting a Laughs & Libations: Golf Edition – and we guarantee that there will be all 3 – laughs/libations/golf.

During this time, our way of thinking needs to pivot. Our ability to provide support to Riverview Health Centre depends upon you – our financial supporter.

Our plan is to offer a **high end- one price- all in event**. Purchase your team and we will do the rest to assure that your team will enjoy supporting RHC on **Tuesday July 27, 2021** at **Glendale Golf & Country Club**. A tax receipt will be available.
